# C³ × Hacktoberfest Hack Day

## Participant Guidelines

- **Team Size:** Each team must have a **minimum of 2 and a maximum of 4 members.**
- **Individual Registration:** Every team member must **register individually** for the ***C³ × Hacktoberfest Hack Day***
- **C³ Community:** All participants must be a part of the **C³ Hackstorm WhatsApp Community** for event updates and communication.
- **Event Timings: 9:00 AM – 3:30 PM**. Participants are expected to be present throughout the event.
- **Student ID:** All participants must carry their **college/student ID card** to the event.
- **Bring Your Laptop:** Make sure your laptop is fully charged and ready for development.
- **Extension Cable:** Participants are encouraged to bring an **extension cable/power strip**, if possible.
- **Water Bottle:** Please carry your **own water bottle**.
- **Build Your Project:** Work on an original project and make meaningful technical contributions during the Hack Day.
- **Open-Source AI:** You all will be participating in the **Best Open-Source AI Project** challenge. Thus, open-source/open-weight AI must be an important part of your project.
- **GitHub:** Your project should be published in a **public GitHub repository with an open-source license** for the Open-Source AI challenge.
- **Demo & Submission:** Be prepared to demonstrate your working project and clearly explain what your team built and how the technology/AI contributes to it.
- **Code of Conduct:** Respect all participants, mentors, organizers and volunteers. Harassment, discrimination, or inappropriate behaviour will not be tolerated. MLH-sanctioned events are expected to maintain a safe and inclusive environment.
- **Keep the Venue Clean:** Take care of the venue and your workspace. Dispose of waste properly.
- **Check-in:** Make sure you complete the required event check-in when you arrive.

## Most Important

**Come prepared. Build something. Learn something. Have fun.** 🚀
